# How to become a successful band leader!

START  
HERE

11  
Jazzland  
You applied for a gig at Jazzland? Forget it, you are not talented enough For this game!

12  
München/Köln  
If you really need it, do it. But you are your own audience. No consequences!

13  
Porgy & Bess  
Since three bands were hired by creative mistake for the same night, you travel directly to 4!

14  
Treibhaus  
Since the presales were bad, they hired a DJ without telling you! Go back to 3!

18  
ECM/ACT  
By signing a contract for ECM or ACT you thought to become a big seller. Wait five rounds till the first 100 CD's will be sold. (incl. promotion copies)

17  
Bratislava  
To get the gig, you hired Dodo Tojaska. Mistake! No fee, no hotel. Go back to 2!

16  
Jazzpodium  
Due to a terribly bad review in Jazz-Podium, your tour got cancelled. Back to the start!

15  
Unterfahrt  
Cool gig, cool audience. You meet a journalist who seems to be very interested in you and your work. Go to 6!

19  
LINEUP  
Your bass player got nuts after the signing of the ECM contract. Takes you one round only to find a new one!

10  
JAZZFESTIVAL LONDON  
You thought to be the main act at the London Jazz festival. But your gig is at the Pizza Express at 4.a.m. Go back to 7!

11  
Lapeenranta  
Your first appearance at the "Reindeer-Hall" in Lapeenranta. Didn't you know it is a Finnish country club? Wait for 5 rounds and ask Tobi if he has "Blues Brothers" in his laptop!

12  
Halien Tour  
After a 20 hours car ride from Istanbul to Roma, one tells you, that the Italian tour is cancelled - due political instability. You get drunk like hell and you stay for 3 rounds in komal!

HAHA!

16  
Carnegie Hall N.Y.C.  
Congratulations!!  
You survived!

15  
Montreux Jazz Festival  
You play unfortunately in the garden at 5.p.m. between to American gospel choirs. This means you are REALLY smart and you proceed to 16!!!

14  
Universal  
You signed for Universal! Are you stoned or stupid? You pay for that by staying in the psychiatric hospital for the rest of the game!

Psychiatric Hosp.

13  
Bangkok  
You thought to be smart by playing some of the tunes of his Majesty King Bhumibol! You forgot, that you were not allowed to "change the chords of the king"! Welcome in jail for 6 rounds!!
